INTRODUCING **ECOCHARGER PROBIOTIC LF-99 AQUA**

ACTPRO with Patented Probiotic Activation Technology

Over 20 billion bacteria in every single milliliter

Revolutionary Probiotic for Shrimp Hatchery

THE PATENTED SOLUTION FOR IMPROVED GUT HEALTH

Boosts Immunity

9 Strains of Proprietary, beneficial bacteria selected to boost immunity

Improves Environment

Control of harmful Hydrogen Sulfide and ammonia

Improved Survival Rate

Improved shrimp survival and feed conversion ratio

Approved by Coastal Aquaculture Authority of India Reg No: CAA/APR19/PRO/03411

CAA Certified Antibiotic-free Product
